As you'd expect, free ebooks from Amazon are only available in Kindle format – users of other ebook readers will need to convert the files – and you must be logged into your Amazon account to download them.

### C Review Question Answers

The answer is infact undefined, and depends on the compiler being used. Some compilers will result in 16 and 20, while others will produce 16 and 25.. One might expect the second use of the SQUARE macro to yield 16, just like the first use of the SQUARE macro. However, macros are processed by the preprocessor, a step that takes place before actual compilation begins.
