The TIR Association (TIRA) provides access to service, whether you want to:

## **Traumatic Incident Reduction Association - An ...**

This study examined the effectiveness of traumatic incident reduction (TIR) among a sample of adults with trauma histories through a review of client records. TIR is a brief, structured, person-centered, memory-based intervention that helps individuals process traumatic memories, thus eliminating or significantly reducing negative psychological consequences and promoting insight and growth.

## **Effects of Traumatic Incident Reduction on Posttraumatic**

...

Engaging children in trauma treatment is primarily about helping them to talk about trauma, its symptoms, and its effects. Communicating information about stress reactions and the concept of mental/emotional treatment in an age-appropriate manner is crucial in showing that one can contain the horrors of trauma, and that one can be someone who will be able to help.

## **Children and Traumatic Incident Reduction: Creative and**

...

Traumatic Incident Reduction provides a safe space and the means to fully examine that which had been blocked. A past incident loses its ability to hurt us at the point where we have looked it through and through. In the process, we release our resistance as well as the painful emotion and negative thought patterns contained in that past trauma.
