Members of the Forum establish working groups to develop guides in data-related areas of interest to federal, state, and local education agencies. They are assisted in this work by NCES, but the content comes from the collective experience of working group members who review all products iteratively throughout the development process.

Forum Guide to Personalized Learning Data

A guide is a thread designated to teaching other users and forum viewers how to do a certain task successfully or provide assistance to those in need. Making a guide does not signify a user of being successful nor does being successful mean a user should or can make a helpful or well written guide.
