Crisis collects Erik H. Erikson's major essays on topics originating in the concept of the adolescent identity crisis. Identity, Erikson writes, is as unfathomable as it is all-pervasive. It deals with a process that is located both in the core of the individual and in the core of the communal culture.

deepen Erikson's concept of personal identity and explain its relation to what he calls ego psychology. Erikson's theory of ego psychology holds that the ego, an unconscious mental process, constantly synthesizes information from inner and outer perception into a coherent whole that can be managed.
