Indonesia was formerly known as the Dutch East Indies (or Netherlands East Indies). Although Indonesia did not become the country's official name until the time of independence, the name was used as early as 1884 by a German geographer; it is thought to derive from the Greek indos, meaning "India," and nesos, meaning

Businesses are reopening after Indonesias economy grew just 2.9% in January-March, its slowest rate in almost two decades, as the pandemic made its effects felt. The contraction of its gross domestic product in the second quarter was deeper than expected at 5.32%, the lowest since the first quarter of 1999, Widodo said.
