unless you understand construction law be carefull, JCT Minor Works is the way to go Good morning: As the the JCT minor works contract is not available for viewing online, for future reference, could you you highlight the differences between it and the sample contract on the FMB site?

### General Building Contract — MoneySavingExpert Forum

The JCT Minor Works Contract 2011 does not appear to include provisions for the Contractor to get additional monies in the event of a relevant event, although they do get an extension of time. I believe this would be a bit odd in the context of a delay which is caused by an Employer breach. Is there any commentary anywhere on this?

### Can you claim loss and expense under the JCT Minor Works ...

The principal purpose of the building contract is to allocate those risks. That is done by way of the contract terms including the provision of indemnities and requirement for insurances. This note deals with the Minor Works Building Contract 2016 (MW) and Minor Works Building Contract 2016 with contractor's design 2016 (MWD).

### **JCT Minor Works Building Contract and Subcontracts**

The JCT Minor Works Building Contract is more straight forward to administer than many other forms of contract, however, the parties will still need to be very clear of their obligations and liabilities and the risks that they are accepting. Generally the client's architect or contract administrator will administer the contract.

### **Minor works - Designing Buildings Wiki**

By way of illustration, the JCT form provides that the employer may issue instructions requiring the opening up for inspection of any work covered up or tests of materials or goods or executed work. The cost of opening up or testing is added to the contract sum, unless the inspection shows that the materials, goods, or work are not in ...

### **Defective work in construction projects**

Many JCT standard form building contracts, from the Minor Works Building Contract 2011 to the Standard Building Contract 2011 appoint a Contract Administrator to fulfil a specific role under the building contract. Once you have appointed a Contract Administrator, is it as simple as filling in the blanks in Article 3 and then forgetting about it?
