### For Medicare, Having A Power Of Attorney Is Not Enough

On July 30, 1965, President Johnson signed the Medicare Law as part of the Social Security Act Amendments. This established both Medicare, the health insurance program for Americans over 65, and Medicaid, the health insurance program for low-income Americans.

### Medicare Law of 1965 | govinfo

Medicare and Medicaid are state- and federal-funded health insurance plans that enable people with a low income to access healthcare in the United States. Find out more about what they are, the ...

### Medicare and Medicaid: What do they do?

If you have Medicare and other health insurance or coverage, each type of coverage is called a "payer." When there's more than one payer, "coordination of benefits" rules decide which one pays first. The "primary payer" pays what it owes on your bills first, and then sends the rest to the "secondary payer" to pay.
