The marketing & media planning principles I learned in my media planning course (the professor required Media Flight Plan), gave me an invaluable tool set. The CEO made me responsible for multiple tasks in our company, and she relies on me to do all of the media planning in our recruitment program.

The material is presented in such a way that the student wastes time decoding the objectives presented rather than gaining the experience and knowledge required of media planning. The software accessible from the text kbook is functional but problematic because it is in no way an industry standard.
