Usually not. The best approach is to note the fact in your mind and continue with the conversation, trying to extract more information. Once you confront someone who has lied to you, the tone of the conversation changes and gathering additional facts becomes difficult.

Never Be Lied to Again: How to Get the Truth Out of Anyone!

Excerpts from "Never Be Lied to Again" In an ideal society there would be no need for lies. But we live in a world of deception. And whether you want to play or not, you're in the game. The question is, do you want to win? Once you realize that you're being lied to, should you con-front the liar immediately? Usually not. The best approach is
