Allowing him to do it without hassle, and trusting that he is a faithful man who simply needs to conquer something, will make all the difference in the world. I'm not suggesting that women should give men whatever they want all the time, but it's important for women to know that a man doesn't always want what he's asking for; he wants to know that his woman will ride with him if he asks.

### QUIZ: Which Lost Generation writer in Paris are you ...

There's a reason you don't see professional chefs' kitchens cluttered with sensational, candy-colored as-seen-on-TV products: cooking gadgetry tends to be designed for one highly specific application (pancake flipping! baked potato microwaving!), and useless for just about anything else you'd want to do. No, it's the simple, versatile kitchen tools that cooks return to again and ...
